**Broker Summary:**

Fabrication - Sales - Distribution of a Unique Product

This is a rare opportunity to own a business that is poised for tremendous growth. The groundwork has been laid and the basic products are designed, tested and proven effective - in real world applications.

The current customers have budgeted funds that need to be spent and orders are waiting to be filled. Most potential customers have yet to be approached. All that is needed is to make the users aware of the value of the product's application. It practically sells itself.

The product has international applications and multiple platforms in which to expand.
