Profitable Moving Company - Local & Long Distance

This business has been servicing the St. Louis and St. Charles metro areas for over three decades. They pride themselves in holding their movers and packers to the highest standards of ethics and integrity. The company is equipped to handle moves of any size featuring:

- \* Local Moving.
- \* Long-Distance Moving.
- \* Residential and Commercial Moving.
- \* Fully Insured and Bonded.
- \* Vehicles used do not require Commercial Driver Licenses.
- \* The business can be relocated most anywhere in the area.
- \* Working relationships with two long time major commercial customers.

Having experience in the moving industry is not required as the seller will train the buyer to ensure every possibility of continued success.

The current owner has scaled back quite a bit - in anticipation of retirement - 2018 represents just a portion of the potential. There is a tremendous upside awaiting an energetic and motivated buyer. It is not unreasonable to expect to possibly double or triple the business revenue and income. Additionally, there are added benefits that make the opportunity more appealing.

All equipment and trucks are in place as well as an experienced and dependable staff for a buyer to 'hit the ground running'.
