Type of Business:

Profitable Carpet Cleaning Company GROWTH opportunity

Location:

St. Louis County

Broker Summary:

This St. Louis County Carpet Cleaning company has been operating for decades. They have built a great reputation of quality service so most new business today comes from referrals. If a new owner wanted to ramp up the revenue they could advertise and expand to their desired levels. This would also be a great add on to an existing service company that doesn't offer the same services.

A lot of business, some staff, vehicles and equipment in place and operating well today! The owner is not only willing to train but may stay longer term on a part time basis if a new owner desires.
